EXPERIENCE

Learning & Development Multimedia Design Intern *Cencora May 2023 - Current*

Intern for the Enterprise Learning & Development team. I am responsible for the creation of multimedia designs such as PDF, Word, and PowerPoint visual edits, infographics, static graphics, and video pre/post-production. Attend weekly meetings and communicate directly with the EL&D team, Cencora's head Graphic Designer, and 3rd party vendors to successfully create the visual elements that would benefit the EL&D team.

Content Creation Specialist (Marketing)

CU Denver Wellness Center July 2023 - Current

Responsible for creating visual content and distributing them to reach a greater audience. Assisting in evaluating the effectiveness of marketing strategies and initiatives throughout the year. Work on developing creative ideas and concepts for comprehensive marketing campaigns and associated materials.
